Message from the PTA Chairperson

Dear parents, students, and esteemed members of our school community,

It is with great honor and enthusiasm that I address you as the newly appointed Chairperson of our Parent-Teacher Association (PTA) for the years 2023-2025. I am thrilled to embark on this exciting journey together with all of you, and I extend a warm welcome to each and every one of you.

First and foremost, I would like to express my sincere gratitude to Mr. Alex Lam, the former PTA Chairman, and the Executive Committee (ExCo) members for their exceptional dedication and hard work. Their efforts have laid a strong foundation for us to build upon, and I am confident that with your continued support, we can take our PTA to new heights.

I am also thrilled to announce that our PTA has a full house of dedicated ExCo members who are passionate about fostering a strong partnership between parents and educators. Together, we form a diverse team with a common goal: to enhance the educational experience of our children and create a supportive environment for their growth.

The PTA plays a pivotal role in our school community, acting as a bridge between parents and the administration. Our association serves as a platform for open communication, collaboration, and engagement. We firmly believe that when parents actively participate in their children's education, it greatly benefits their overall development.

As we reflect on the challenging period of the COVID-19 pandemic, we are grateful to witness Hong Kong's return to full progress and operation. This milestone stands as a testament to the unwavering resilience and dedication displayed by our students, teachers, and staff throughout these trying times.

In the face of adversity, our school community has shown incredible adaptability and determination. The PTA, in particular, deserves special recognition for its unwavering commitment to supporting our students and maintaining a strong collaborative spirit even amidst the pandemic.

During our school's Christmas party on December 21, the PTA ExCo had the privilege of witnessing an extraordinary performance by our talented students. We were truly amazed by their skills and abilities, which demonstrated their hard work and the exceptional guidance provided by our dedicated teachers. Our teachers have invested their time and expertise to nurture our students' talents and help them reach their full potential. We

deeply appreciate their commitment in shaping the skills of our students.

The Christmas party reminded us of the remarkable talent and potential within our school community. It was

a morning filled with pride,

laughter, and applause. We extend

our heartfelt gratitude to our students and teachers for their outstanding contributions.

As we move forward, I want to emphasize the significance of your support in our programs. Your involvement in PTA activities, events, and initiatives is invaluable to our mission of enhancing our children's educational journey. Whether you can contribute your time, expertise, or financial assistance, your contributions allow us to organize various programs that benefit our students.

In the coming months, we have an array of exciting activities planned, including an outing, workshops, seminars, and cultural events. These events provide opportunities for our students to learn, grow, and explore new horizons. Your active participation, ideas, and contributions are vital in shaping the future of our PTA and ensuring its vibrancy and inclusivity.

I encourage you to actively participate in PTA-sponsored events and volunteer opportunities. Your involvement strengthens our ability to provide enriching experiences for our children and creates an environment where every child feels supported, encouraged, and inspired to reach their full potential.

In closing, I invite you all to join us on this exciting journey as we work together to make a positive impact on our children's education. Let us embrace the opportunities that lie ahead and forge a stronger bond between parents, teachers, and our school community.

Thank you, and I look forward to serving you as the Chairperson of our PTA.

Warm regards,

Teresa Li
Chairperson, Parent-Teacher Association

Message from the Principal

Dear Parents,

Welcome to the first issue of the PTA newsletter for the scholastic year 2023/24. I am delighted to announce that the half-yearly publication of the newsletter, which offers a glimpse into your daughter's school life, will now return to its regular schedule.

"It is the harvest that costs most, but which yields more fruit, as the conduct of one's whole life normally depends on the education one receives."

St. Magdalen of Canossa

Values Education has always been a fundamental component of Canossian Education, aiming to instill a positive outlook on life among our students. During the current three-year school development cycle across all Canossian schools, we are emphasizing Gratitude, Respect, and Commitment. Our objective is to empower students to pursue genuine happiness by nurturing their ability to appreciate the people and things around them and find purpose in life.

Indeed, values education is not confined to the school environment but extends to the home as well. Without your support, the overall objectives cannot be achieved holistically and successfully. Therefore, I would like to express my heartfelt appreciation to all of you for your continuous support in achieving our vision and missions.

As the Chinese New Year approaches, I wish you and your family a joyous holiday and a blessed Year of the Dragon!

With God's blessings,

Janet Wong
Principal
